Wakaf Ilmu

Angullia Mosque wants to run consistent and inclusive programs to benefit all our Jemaah demographic. These includes niche programs in Bengali, Urdu and Tamil.

Contributions to *Wakaf Ilmu* will ensure that Angullia Mosque engage speakers and asatizahs to enable us to produce the best programs. Funds will also be required to support materials needed for these programs.

Wakaf Building

Our recent redevelopment provided us with improved facilities. Jemah comfort and convenience and maintaining a safe environment for worship are integral service factors for us. Angullia Mosque will strive to upkeep and maintain these to the highest standards, without disruption and downtime.

The new facilities and equipment require periodical maintenance and service, and the costs related to them form a large part of our expenses. Your contributions to *Wakaf Building* will greatly help Angullia Mosque to maintain, upkeep and ensure our lift, fans and aircons remain in good form amongst other costs like electricity and water consumption expenses.

General Donations

Contributions to this will assist us with all other generic overheads and expenses. Costs include our hygiene, cleaning and security related services. Traditionally for mosques, these costs would be considered as lavish extras and were viewed as costs that can be omitted. However, in the era of 'new norms', these additional operation costs are vital to ensure mosque remains compliant and safe for all.

Dear Beloved Jemaahs,

Angullia Mosque have had an eventful year in 2020. After a 2-year closure for our Redevelopment, we re-opened our gates in January with a consecration ceremony. Our former Mufti, Dr. Fatris Bakaram declared and officialised our Iktikaf Areas, and he then led and became Imam for our first Friday Prayers. One month later, the Mosque was officially declared open by Minister in Charge of Muslim Affairs, Mr. Masagoes Zulkifli, on 23 February 2020.

Just as we were about to gain our momentum; to serve and provide you with our new and exciting programs, amidst new and modern facilities and surroundings, we were hit with closures in March 2020. Covid-19 shut everything down. The Mosque sector had to adapt to some new norms.

In the new year, we will continue to face many more challenges. On the back of these closures, and the lesser Jemaah turn out, like all other mosques in Singapore, our chests collections and overall donations have been in decline.

Based on our budgetary projections, Angullia Mosque will require additional aid and assistance to keep us running and be sustainable in the coming year.

The Mosque will be coming into term contracts for the maintenance and upkeep of many of our new Facilities and Operation Areas. Some of these items include the maintenance of major facilities such as the Lift and the upkeep and service of our Aircon Systems, amongst many others.

We seek your valuable support and contributions and are now opening opportunities for monthly Wakaf via Giro.

If you want to become our monthly donor and contributor, and assist us with our facilities maintenance and dakwah programs, please fill in the easy steps in the Giro form below.

May Allah SWT reward you for your generosity in this world and the Hereafter. *Barakallahu Feekum.*

Thank you.
